Amended 30 Day Post-General Report (10/16/2014 ? 11/24/2014)

Due to a scrivener's error, the incorrect box was marked in the report with respect to an expenditure on November 3, 2014 in the amount of \$5,000.00. The expenditure was to oppose the identified candidate, not support. Accordingly, we have amended the report with the clarifying information.

If you have any questions or require additional information, please contact Vincent DeVito at (617) 757-6500.
